

Your questions, our answers

Chinese & China right now

Hi, welcome to ask us anything.

It's Michael and Ellie.

我是Ellie

Wǒ shì Ellie

I'm Ellie

我现在在河南濮阳

Wǒ xiànzài zài Hénán Púyáng

I am now in Puyang, Henan Province

你们好

Nǐmen hǎo

Hello

我是Michael

Wǒ shì Michael

I'm Michael

现在我在上海

Xiànzài wǒ zài Shànghǎi

Now I'm in Shanghai

因为病毒的影响

Yīnwèi bìngdú dí yǐngxiǎng

Because of the virus

所以在我家这边公共交通有一些限制

Suǒyǐ zài wǒjiā zhè biān gōnggòng jiāotōng yǒu yīxiē xiànzhì

So there are some restrictions on public transportation on my side

所以我们就决定各自在家录这期节目

Suǒyǐ wǒmen jiù juéding gèzì zàijiā lù zhè qī jiémù

So we decided to record this episode at home

到目前为止的话

Dào mùqián wéizhǐ dehuà

So far

我们都还不错

Wǒmen dōu hái bùcuò

We are all pretty good

然后所有的GoEast老师

Ránhòu suǒyǒu de GoEast lǎoshī

All the GoEast teachers

也都非常健康

Yě dū fēicháng jiànkāng

Are also very healthy

然后我相信我们一定会度过这个难关的

Ránhòu wǒ xiāngxìn wǒmen yīdìng huì dùguò zhège nánguān de

I believe we will get through this difficult time

是的

Shì de

Yes

那我们现在开始我们的问题环节吧

Nà wǒmen xiànzài kāishǐ wǒmen de wèntí huánjié ba

So let's start our questions now

第一个部分是关于上海的问题

Dì yīgè bùfèn shì guānyú Shànghǎi de wèntí

The first part is about Shanghai

那我来问Michael好了

Nà wǒ lái wèn Michael hǎole

Let me ask Michael

第一个问题是Judith on WeChat

Dì yīgè wèntí shì Judith on WeChat

The first question is from Judith on WeChat

她问现在在上海所有的商店还有健身房是开着的吗

Tā wèn xiànzài zài shànghǎi suǒyǒu de Shāngdiàn hái yǒu jiànshēnfáng shì kāizhe de ma

She asked if all the stores and gyms in Shanghai are open now

基本上现在在上海所有的商店包括健身房

Jīběn shàng xiànzài zài Shànghǎi suǒyǒu de shāngdiàn bāokuò jiànshēnfáng

Basically all stores in Shanghai, including gyms

其实都是关着的

Qíshí dōu shì guānzhe de

Actually they're all closed

只有一些大的超市或者是一些连锁店是开着的

Zhǐyǒu yīxiē dà de chāoshì huòzhě shì yīxiē liánsuǒdiàn shì kāizhe de

Only some big supermarkets or some chain stores are open

还有公共交通也是开着的

Háiyǒu gōnggòng jiāotōng yěshì kāizhe de

And public transportation is also open

坐地铁是没问题的

Zuò dìtiě shì méi wèntí de

It's OK to take the subway

但是其他的地方应该全部都关门了

Dànshì qítā dì dìfāng yīnggāi quánbù dōu guānménle

But everything else should be closed

包括

Bāokuò

including

其实我想去理发

Qíshí wǒ xiǎng qù lǐfà

Actually I want to have a haircut

你们可以看到我的头发已经很长

Nǐmen kěyǐ kàn dào wǒ de tóufa yǐjīng hěn zhǎng

You can see my hair is already long

但是所有的理发店都是关着的

Dànshì suǒyǒu de lǐfà diàn dōu shì guānzhe de

But all barbershops are closed

所以也没有办法理发

Suǒyǐ yě méiyǒu bànfǎ lǐfà

So there is no way to cut it

好的我了解了

Hǎo de wǒ liǎojiěle

Ok I understand

那第二个问题是Amandine

Nà dì èr gè wèntí shì Amandine

That second question is from Amandine

她问你在家是怎么安排自己的时间呢

Tā wèn nǐ zài jiā shì zěnmē ānpái zìjǐ de shíjiān ne

She asks how do you spend your time at home now

特别是有家人和小孩子

Tèbié shì yǒu jiārén hé xiǎoháizi

Especially with family and children

还有StuffedGreenPepper on Reddit也问

Hái yǒu StuffedGreenPepper on Reddit yě wèn
And StuffedGreenPepper on Reddit also asked

中国人是怎么打发时间的呢

Zhōngguó rén shì zěnmē dǎfā shíjiān de ne
How do Chinese people kill time

有没有什么特别的事情

Yǒu méiyǒu shé me tèbié de shìqíng
Is there anything special

对我们来说的话在我家里还没有小孩

Duì wǒmen lái shuō de huà zài wǒjiālǐ hái méiyǒu xiǎohái
For us there are no children in my house

所以比较幸运

Suǒyǐ bǐjiào xìngyùn
So lucky

是一个安静的春节

Shì yīgè ānjìng de chūnjié
This is a quiet spring festival

但是可能有小孩的会比较麻烦

Dànshì kěnéng yǒu xiǎohái de huì bǐjiào máfan
But it may be troublesome for children

比如说我的隔壁邻居

Bǐrú shuō wǒ de gébì línjū
Like my neighbor next door

他就有一个小孩

Tā jiù yǒu yīgè xiǎo hái

He has a child

然后现在应该在学习吧

Ránhòu xiànzài yīnggāi zài xuéxí ba
And should be studying now

可能在网上的学习

Kěnéng zài wǎngshàng de xuéxí
Possible learning online

然后在家里的话

Ránhòu zài jiālǐ de huà
Then at home

我觉得中国人一般其实也都一样

Wǒ juéde Zhōngguó rén yībān qíshí yě dōu yīyàng
I think Chinese people are actually the same.

大家都一样

Dàjiā dōu yīyàng
Everyone is the same

可能是看书

Kěnéng shì kànshū
May be reading

看一些网上的电影或者整理房间

Kàn yīxiē wǎngshàng de diànyǐng huòzhě zhěnglǐ fángjiān
Watch some online movies or clean your room

然后我们的GoEast老师

Ránhòu wǒmen de GoEast lǎoshī
Then a GoEast teacher

有一个Clytie

Yǒu yīgè Clytie
Here's Clytie

还在家画画
Hái zàijiā huà huà
She's painting at home

所以其实都是可以的
Suǒyǐ qíshí dōu shì kěyǐ de
So it 's all okay

然后我有一个朋友
Ránhòu wǒ yǒu yīgè péngyǒu
Then I have a friend

他在微信的朋友圈里面是他跟他的孩子在拼那个乐高
Tā zài wēixìn de péngyǒu quān límian shì tā gēn tā de háizi zài pīn nàgè
lègāo
In his WeChat moments, he was making Lego with his children

拼了很多很多的乐高，很有意思
Pīnle hěnduō hěnduō de lègāo, hěn yǒuyìsi
A lot of Lego sets, very interesting

然后对我说的话
Ránhòu duì wǒ lái shuō de huà
Then for me

我在家一般也就是看书
Wǒ zàijiā yì bān yě jiùshì kànshū
I usually read a book at home

大部分时间其实是在工作啦
Dà bùfèn shíjiān qíshí shì zài gōngzuò la
Most of the time is actually work

然后还有一些时间我会玩游戏

Ránhòu hái yǒu yīxiē shíjiān wǒ huì wán yóuxì

Then there is still some time, I'll play the game

因为我有一个Switch

Yīnwèi wǒ yǒu yīgè Switch

Because I have a Switch

所以我会玩一些Switch的游戏

Suǒyǐ wǒ huì wán yīxiē Switch de yóuxì

So I will play some Switch games

好的。那么第三个问题也是比较重要的问题

Hǎo de. Nàme dì sān gè wèntí yěshì bǐjiào zhòngyào de wèntí

Ok. Then the third question is also more important.

Jennifer, 她问

Jennifer tāwèn

Jennifer, she asked

现在在社区里

Xiànzài zài shèqū lǐ

Now in the community

他们的邻居都在汇报一些东西

Tāmen de línjū dōu zài huìbào yīxiē dōngxī

The neighbors are reporting something

那她如果在上海的话

Nà tā rúguǒ zài shànghǎi dehuà

Then if she is in Shanghai

她需要做一些汇报吗

Tā xūyào zuò yīxiē huìbào ma

Does she need to do some reporting

对于外国人来说

Duìyú wàiguó rén lái shuō

For foreigners

我不是很清楚

Wǒ bùshì hěn qīngchǔ

I am not very clear

但是在我家的话就是我们的小区

Dànshì zài wǒjiā dehuà jiùshì wǒmen de xiǎoqū

But in my house, in my community

所有的回上海的人员全部都需要登记

Suǒyǒu de huí shànghǎi de rényuán quánbù dōu xūyào dēngjì

All people returning to Shanghai need to be registered

然后的话

Ránhòu dehuà

then

医生建议是在家

Yīshēng jiànyì shì zài jiā

Doctor advises to be at home

然后自己隔离14天

Ránhòu zìjǐ gélí 14 tiān

And quarantine yourself for 14 days

但是我我不知道我们的小区有没有这个14天的规定

Dànshì wǒ wǒ bù zhīdào wǒmen de xiǎoqū yǒu méiyǒu zhège 14 tiān de guīdìng

But I don't know if my community has this 14-day rule.

所以对中国人来说的话

Suǒyǐ duì zhōngguó rén lái shuō dehuà
So for the Chinese

只要你回到了你的住的地方
Zhǐyào nǐ huí dào le nǐ de zhù dì dìfāng
As long as you return to where you live

你就要向你的小区的一些物业
Nǐ jiù yào xiàng nǐ de xiǎoqū de yīxiē wùyè
You need to report to your properties in your community

或者是居委会要报告
Huòzhě shì jūwěihuì yào bàogào
Or report to the neighborhood committee

比如说在我家现在有限制出行的这个规定
Bǐrú shuō zài wǒ jiā xiànzài yǒu xiànzhì chūxíng de zhège guīdìng
For example, in my home, there is a restriction on outing

我不知道在上海的小区有没有这个规定
Wǒ bù zhīdào zài shànghǎi de xiǎoqū yǒu méiyǒu zhège guīdìng
I don't know if there is such a rule in the community in Shanghai

在上海的小区还没有
Zài shànghǎi de xiǎoqū hái méiyǒu
Not yet in Shanghai

比如说我今天来GoEast的
Bǐrú shuō wǒ jīntiān lái GoEast de
For example, I came to GoEast today

这个徐汇的校区还比较顺利
Zhège xúhuì de xiàoqū hái bǐjiào shùnlì
It was quite smooth that I went to this Xuhui campus

也没有人问我

Yě méiyǒu rén wèn wǒ
Nobody asked me

然后你们家这边的限制出行是什么情况
Ránhòu nǐmen jiā zhè biān de xiànzhì chūxíng shì shénme qíngkuàng
Then what is the situation of the restriction at your home

限制出行是每户人家每次每天只能派一个人出去
Xiànzhì chūxíng shì
The restriction is that

每户人家每次每天只能派一个人出去
měi hù rénjiā měi cì měitiān zhǐ néng pài yī gè rén chūqù
each household can only send one person out each day

进出一次
Jìrchū yīcì
In and out once

所以感觉比上海更严格一些
Suǒyǐ gǎnjué bǐ shànghǎi gèng yángé yīxiē
So it feels more strict than Shanghai

对对对
Duì duì duì
Yeah

然后的话
Ránhòu dehuà
Then

00:04:21,700 --> 00:04:24,500
下面有一个关于娱乐节目的问题
Xiàmiàn yǒu yī gè guānyú yú yuè jiémù dì wèntí
Here's a question about entertainment programs

我觉得很适合Ellie你

Wǒ juéde hěn shìhé Ellie nǐ

I think it suits you Ellie

就是是我们的eternalfantasi asked on Reddit

Jiùshì shì wǒmen de eternalfantasi asked on Reddit

Eternalfantasi asked on Reddit

他说

Tā shuō

He/she says

对他来说

Duì tā lái shuō

to him/her

中国的脱口秀节目非常好玩

Zhōngguó de tuōkǒu xiù jiémù fēicháng hǎowán

China's talk shows are fun

很搞笑

Hěn gǎoxiào

very funny

可是中国的情景喜剧有点老套

Kěshì zhōngguó de qíngjǐng xǐjù yǒudiǎn lǎo tà

But Chinese sitcoms are a bit old-fashioned

他觉得你是不是同意他的观点

Tā juéde nǐ shì bùshì tóngyì tā de guāndiǎn

Do you agree with him/her

如果不同意的话

Rúguǒ bù tóngyì dehuà

If you don't agree

有没有一些建议

Yǒu méiyǒu yīxiē jiànyì

Any suggestions

我比较同意他的观点

Wǒ bǐjiào tóngyì tā de guāndiǎn

I agree with him/her more

但其实在小的时候

Dàn qíshí zài xiǎo de shíhòu

But when I was young,

我们经常看一些中国情景喜剧

Wǒmen jīngcháng kàn yīxiē zhōngguó qíngjǐng xǐjù

We often watched some Chinese sitcoms

比如说家有儿女啊

Bǐrú shuō jiā yǒu érnǚ a

For example, Home with kids

还有爱情公寓啊

Hái yǒu àiqíng gōngyù a

And iPartment

这样的

Zhèyàng de

things like these

但是现在对我来说

Dànshì xiànzài duì wǒ lái shuō

But now for me

这些中国情景喜剧也是比较老套的

Zhèxiē zhōngguó qíngjǐng xǐjù yěshì bǐjiào lǎo tài de

These Chinese sitcoms are also quite old-fashioned

但是脱口秀节目真的比较搞笑

Dànshì tuōkǒu xiù jiémù zhēn de bǐjiào gǎoxiào

But the talk shows are really funny

我推荐大家去看一看脱口秀大会

Wǒ tuījiàn dàjiā qù kàn yī kàn tuōkǒu xiù dàhuì

I recommend everyone to watch Rock & Roast

吐槽大会或者是奇葩说

Tǔcáo dàhuì huòzhě shì qípā shuō

Roast or I can I BB

然后如果有人喜欢看综艺节目的话

Ránhòu rúguǒ yǒurén xǐhuān kàn zōngyì jiémù dì huà

And if anyone likes to watch variety shows,

最近有两个比较火的节目

Zuìjìn yǒu liǎng gè bǐjiào huǒ de jiémù

Recently there are two very popular shows

一个是小小的追球

Yīgè shì xiǎo xiǎo de zhuī qiú

One is The Protectors

是宣传环保的

Shì xuānchuán huánbǎo de

Is promoting environmental protection

然后还有我们的歌

Ránhòu hái yǒu wǒmen de gē

And then Young Forever

是一个音乐类的节目

Shì yīgè yīnyuè lèi de jiémù

Is a musical show

希望大家可以没事的时候看一看

Xīwàng dàjiā kěyǐ méishì de shíhòu kàn yī kàn

I hope you can take a look when you have time

所以你在家就每天看综艺节目是吧

Suǒyǐ nǐ zàijiā jiù měitiān kàn zōngyì jiémù shì ba

So you watch variety shows every day at home, right?

对呀，这样才不无聊

Duì ya, zhèyàng cái bù wúliáo

Yeah, that's not boring

然后还有一个是我们的学生Jaap问

Ránhòu hái yǒu yīgè shì wǒmen de xuéshēng Jaap wèn

And then there's our student Jaap asking

这个病毒的影响

Zhège bìngdú dí yǐngxiǎng

On the impact of this virus

对于你们的春节是是有哪些具体的一些影响

Duìyú nǐmen de chūnjié shì shì yǒu nǎxiē jùtǐ de yīxiē yǐngxiǎng

What are some specific impacts on your Spring Festival?

比如说你们还有团圆饭吗

Bǐrú shuō nǐmen hái yǒu tuányuán fàn ma

For example, did you still have a reunion dinner?

还有

Hái yǒu

and also

比如说走亲戚，还有这样的行为吗

Bǐrú shuō zǒu qīnqī, hái yǒu zhèyàng de xíngwéi ma

Like visiting relatives, is there such behavior?

因为这个病毒的时期正好是春节

Yīnwèi zhège bìngdú dí shíqí zhènghǎo shì chūnjié
Because this virus happens to be the Spring Festival

所以其实是有很大的影响的

Suǒyǐ qíshí shì yǒu hěn dà de yǐngxiǎng de
So it actually has a big impact

比如说今年春节我们是沒有和外公外婆

Bǐrú shuō jīnnián chūnjié wǒmen shì méiyǒu hé wàigōng wàipó
For example, this year's Spring Festival, our grandparents

还有爷爷奶奶吃团圆饭的

Hái yǒu yéyē nǎinai chī tuányuán fàn de
And grandparents in law didn't have a reunion dinner with us

因为不能进出城市

Yīn wéi bùnéng jìnchū chéngshì
Because you can't go in or out of the city

然后我们也没有走亲戚

Ránhòu wǒmen yě méiyǒu zǒu qīnqī
Then we did not visit the relatives

比如说去姑姑家

Bǐrú shuō qù gūgū jiā
Like going to aunt's house

阿姨家都没有

Āyí jiā dōu méiyǒu
Auntie doesn't have any visitors.

但是有一个好处就是我没有发红包

Dànshì yǒu yīgè hǎochù jiùshì wǒ méiyǒu fà hóngbāo
But one of the good things is that I didn't give out red envelopes

但是一个坏处就是

Dànshì yīgè huàichū jiùshì

But one disadvantage is that

我也没有收到红包

Wǒ yě méiyǒu shōu dào hóngbāo

I did not receive a red envelope!

所以啊

Suǒyǐ a

so

其实对我来说有影响

Qíshí duì wǒ lái shuō yǒu yǐngxiǎng

Actually it has an impact on me

所以不仅是团圆饭走亲戚取消了

Suǒyǐ bùjǐn shì tuányuán fàn zǒu qīnqī qǔxiāole

So it was not only the reunion dinner, visiting relatives canceled

连红包也取消了是吗

Lián hóngbāo yě qǔxiāole shì ma

Even the red envelope was cancelled, right?

对，连红包也取消了

Duì, lián hóngbāo yě qǔxiāole

Yes, even the red envelope was cancelled

那我们看看第二个部分的问题吧

Nà wǒmen kàn kàn dì èr gè bùfèn de wèntí ba

Let's take a look at the second part.

第二个部分是关于汉语学习的一些问题

Dì èr gè bùfèn shì guānyú hànǔ xuéxí de yīxiē wèntí

The second part is some questions about Chinese learning

我知道大家在这段时间内可能还在继续学习汉语

Wǒ zhīdào dàjiā zài zhè duàn shíjiān nèi kěnéng hái zài jìxù xuéxí hànyǔ

I know everyone may continue to learn Chinese during this time

所以有一些问题是大家很关心的

Suǒyǐ yǒu yīxiē wèntí shì dàjiā hěn guānxīn de

So there are some issues that everyone cares about

那我和Michael老师一起来回答这些问题

Nà wǒ hé Michael lǎoshī yī qǐ lái huídá zhèxiē wèntí

Then I will answer these questions with Teacher Michael

第一个问题就是NeeroxDaFx

Dì yīgè wèntí jiùshì NeeroxDaFx

The first question is from NeeroxDaFx

在Reddit说

Zài Reddit shuō

On Reddit he/she said

我一直在学习汉语

Wǒ yīzhí zài xuéxí Hànyǔ

I have been learning Chinese

然后他了解到在中国其实有很多方言

Ránhòu tā liǎojiě dào zài zhōngguó qíshí yǒu hěnduō fāngyán

Then he learned that there are actually many dialects in China

如果有很多方言

Rúguǒ yǒu hěnduō fāngyán

If there are many dialects

哪一种被认为是更好的方言

Nǎ yī zhǒng bèi rènwéi shì gèng hǎo de fāngyán

Which one is considered the better dialect

其实如果你学习中文的话

Qíshí rúguǒ nǐ xuéxí zhōngwén dehuà

Actually, if you study Chinese

你只要学普通话

Nǐ zhǐyào xué pǔtōnghuà

You just need to learn Mandarin

就Mandarin就可以了

Jiù Mandarin jiù kěyǐle

Just Mandarin

这个是最标准的中文

Zhège shì zuì biāozhǔn dì zhōngwén

This is the most standard Chinese

然后如果你想学习一些方言的话

Ránhòu rúguǒ nǐ xiǎng xuéxí yīxiē fāngyán dehuà

Then if you want to learn some dialects

就目前来说的话

Jiù mùqián lái shuō de huà

For now

北京话应该是最接近普通话的方言

Běijīng huà yīnggāi shì zuì jiējìn pǔtōnghuà de fāngyán

Beijing dialect should be the closest to Mandarin

也是最标准的方言

Yěshì zuì biāozhǔn dì fāngyán

Also the most standard dialect

因为普通话的标准就是以北京的这个语音

Yīnwèi pǔtōnghuà de biāozhǔn jiùshì yǐ Běijīng de zhège yǔ

Because the standard of mandarin is based on Beijing dialect

为标准的

Wèi biāozhǔn dì
as the standard

所以你可以学习一些北京话

Suǒyǐ nǐ kěyǐ xuéxí yīxiē Běijīng huà
So you can learn some Beijing dialects

好的我也同意Michael的说法

Hǎo de wǒ yě tóngyì Michael de shuōfǎ
Ok I also agree with Michael

第二个问题还是要问Michael

Dì èr gè wèntí háishì yào wèn Michael
The second question is to ask Michael

因为他对小说还有对读书比较了解

Yīnwèi tā duì xiǎoshuō hái yǒu duì dúshū bǐjiào liǎojiě
Because he knows better about novels and reading

是plop_symphony

Shì plop_symphony
It's from plop_symphony

他问请推荐我们几本受现代中国年轻人欢迎的小说

Tā wèn qǐng tuījiàn wǒmen jǐ běn
He/she asked us to recommend

受现代中国年轻人欢迎的小说

shòu xiàndài Zhōngguó niánqīng rén huānyíng de xiǎoshuō
some novels popular with modern Chinese young people

或者纪实文学

Huòzhě jìshí wénxué
or Documentary literature

这个问题，其实我有很多的学生

Zhègè wèntí, qíshí wǒ yǒu hěnduō de xuéshēng
This question, I actually have a lot of students

他们都在读中国的一本科幻小说叫三体

Tāmen dōu zàidú zhōngguó de yī běn kēhuàn xiǎoshuō jiào Sāntǐ
They are all reading a Chinese Si-Fi novel called The Three Body

然后这本书现在在中国还有在

Ránhòu zhè běn shū xiànzài zài zhōngguó hái yǒu zài
This book is also popular in China

其实在外国非常非常的流行

Qíshí zài wàiguó fēicháng fēicháng de liúxíng
Actually very popular in foreign countries

是因为这本书的作者他得了个科幻的一个奖

Yěshì yīnwèi zhè běn shū de zuòzhě tā déliǎo yīgè kēhuàn de yī gè jiǎng
because of the author of this book won a Si-Fi award

所以现在非常有名

Suǒyǐ xiànzài fēicháng yǒumíng
So now he's very famous

然后中文和英文都有

Ránhòu zhōngwén hé yīngwén dōu yǒu
And it's in both Chinese and English

所以这本书我非常推荐，三体

Suǒyǐ zhè běn shū wǒ fēicháng tuījiàn, Sāntǐ
So I highly recommend this book, Three Body (Problem)

然后另外一本书就是

Ránhòu lìngwài yī běn shū jiùshì
Then another book is

最近很流行的是长安12时辰
Zuìjìn hěn liúxíng de shì Cháng'ān 12 shíchen
Recently, it's popular that The Longest Day In Chang'an

这是一本历史的小说
Zhè shì yī běn lìshǐ de xiǎoshuō
This is a historical novel

但是因为它最近拍了一部电视剧
Dànshì yīnwèi tā zuìjìn pāile yī bù diànshìjù
But because it recently made into a TV series

然后那部电视剧拍得非常好
Ránhòu nà bù diànshìjù pāi dé fēicháng hǎo
Then the TV series was made very well

所以很多年轻人他们也去看这本小说
Suǒyǐ hěnduō niánqīng rén tāmen yě qù kàn zhè běn xiǎoshuō
So many young people also wanted to read this novel

听说也不错
Tīng shuō yě bùcuò
I heard it was good

我没看过
Wǒ méi kànguò
I have not read it

但是我听说不错
Dànshì wǒ tīng shuō bu cuò
But I heard it's good

然后推荐你可以看看

Ránhòu tuījiàn nǐ kěyǐ kàn kàn
So I recommend you can take a look

好的谢谢
Hǎo de xièxiè
Okay thank you

我听说有电视剧
Wǒ tīng shuō yǒu diànshìjù
I heard there are TV shows

所以我要看看这个长安12时辰
Suǒyǐ wǒ yào kàn kàn zhège Cháng'ān 12 shíchen
So I want to watch The Longest Day In Chang'an

那肯定适合你，肯定适合你
Nà kěndìng shìhé nǐ, kěndìng shìhé nǐ
That definitely suits you, definitely suits you

第三个问题是在Reddit上面的
Dì sān gè wèntí shì zài Reddit shàngmiàn de
The third question is also from Reddit

他说
Tā shuō
He asks

我们想学习一些在这段时期有没有什么新的流行语
Wǒmen xiǎng xuéxí yīxiē zài zhè duàn shíqí yǒu méiyǒu shénme xīn de liúxíng yǔ
We want to learn some new buzzwords during this period

我想到最流行的其实就是大家都在网上说
Wǒ xiǎngdào zuì liúxíng de qíshí jiùshì dàjiā dōu zài wǎngshàng shuō
I think the most popular is actually everyone saying online

中国加油
Zhōngguójiāyóu
Be strong China

然后武汉加油
Ránhòu wǔhàn jiāyóu
Then, Be strong Wuhan

这是，对，就是最流行的两个
Zhè shì, duì, jiùshì zuì liúxíng de liǎng gè
This is, yes, the two most popular ones

然后还有一个比较好玩的是
Ránhòu hái yǒu yīgè bǐjiào hǎowán de shì
Then there is another funny one which is

如果你的父母喊你起床了
Rúguǒ nǐ de fùmǔ hǎn nǐ qǐchuáng le
If your parents come to wake you up

你可以告诉他们
Nǐ kěyǐ gàosù tāmen
You can tell them

我不起床，是国家让我睡的
Wǒ bù qǐchuáng, shì guójiā ràng wǒ shuì de
I won't get up, it's the country that ask me to sleep

因为现在所有的政府都鼓励大家在家里不要出去
Yīnwèi xiànzài suǒyǒu de zhèngfǔ dōu gǔlì dàjiā zài jiālǐ bù yào chūqù
Because now all governments encourage everyone stay at home

然后尽可能的不要去拜访你的朋友
Ránhòu jǐn kěnéng de bù yào qù bài fǎng nǐ de péngyǒu
And try not to visit your friends

所以你可以说是国家让我睡的

Suǒyǐ nǐ kěyǐ shuō shì guójiā ràng wǒ shuì de
So you can say the country asks me to sleep

我要为国家做贡献

Wǒ yào wèi guójiā zuò gòngxiàn
I want to contribute to the country

对，而且其实保证充足的睡眠

Duì, érqiě qíshí bǎozhèng chōngzú de shuìmián
Yes, and actually ensure adequate sleep

对抵抗力，对一切都是有好处的

Duì dǐkàng lì, duì yīqiè dōu shì yǒu hǎo chǔ de
Good for resistance, good for everything

所以真的是国家让我们睡的

Suǒyǐ zhēn de shì guó jiā ràng wǒmen shuì de
So it's really the country that asks us to sleep

哈哈，对对对

Hāhā hā, duì duì duì
Hahaha yes yes yes

那这就是我们这一次回答的所有的问题

Nà zhè jiùshì wǒmen zhè yīcì huídá de suǒyǒu de wèntí
So that's all the questions we answered this time

如果你觉得有意思的话

Rúguǒ nǐ juéde yǒuyìsi dehuà
If you find it interesting

也记得给我们点赞和关注哦

Yě jìdé gěi wǒmen diǎn zàn hé guānzhù ó
please remember to give us a like and follow us

如果你们还有一些其他的问题的话

Rúguǒ nǐmen hái yǒu yīxiē qítā de wèntí dehuà

If you have any other questions

可以在我们的下面留言

Kěyǐ zài wǒmen de xiàmiàn liúyán

You can leave your message below

然后下一次节目的时候我们会回答你们的问题

Ránhòu xià yīcì jiémù dì shíhòu wǒmen huì huídá nǐmen de wèntí

Then we will answer your questions on the next episode

另外你们知道吗

Lìngwài nǐmen zhīdào ma

In addition, do you know

其实在家里也是可以继续学习中文的

Qíshí zài jiālǐ yěshì kěyǐ jìxù xuéxí zhōngwén de

In fact, you can continue to learn Chinese at home

GoEast的也会陆陆续续推出更多有趣的线上活动以及线上课

GoEast de yě huì lùlùxùxù tuīchū gèng duō yǒuqù de xiàn shàng huódòng

GoEast will continue to launch more interesting online activities

以及线上课

yǐjí xiàn shàngkè

and online courses

所以记得关注我们呢

Suǒyǐ jìdé wǒ guānzhù wǒmen ne

So remember to follow us

好的

Hǎo de

Ok

然后最后的话

Ránhòu zuìhòu dehuà

Then the last words

我想说中国加油

Wǒ xiǎng shuō zhōngguó jiāyóu

I want to say: China, be strong

武汉加油哦

Wǔhàn jiāyóu ó

Wuhan, be strong

我们下一期再见拜拜

Wǒmen xià yī qī zàijiàn bàibài

See you next time

再见

Zàijiàn

Bye
